THE economy of using Imperial Polarine Motor Oils extends over practically every item of motor operation.

COSTS

The lubrication aforded at every friction point and the gas-tight plate to syllader scal means a big saving in fuel bills and a noticeable increase of power. Through perfect protection of all motor parts, undue repair bills are avoided and depreciation is greatly reduced. By using Impacts Platine Meter Oils you can save deliars this year on maintenance alone. Besides, you realize more profit and greater usefulness from your ear.

Always use the grade of Imperial Polarine recommended on our Charts for your type of motor. See Charts at your dealer's or write to 56 Church Street, Toronto, for a copy of our interesting booklet, "Automotive Lubrication," which contains the complete Chart of Recommendations.
